

Alberta Average Weekly Earnings Index

Update: November 16th

ECSSA CEP 52-A has secured the services of a lawyer with the Chivas Carpenter law firm to guide our case to arbitration. She will be in contact with Edmonton Catholic School's lawyer. Both sides will be watching in interest the upcoming arbitration of the Alberta Teacher's Association AAWA case set for late January. We are not tied to the ATA's case and any decision of that arbitration is not binding on us.
